Red Snapper Season Opens June 1st

NOAA Fisheries Service announced the June 1st through July 23rd season in federal waters as part of a final rule that increases the red snapper quotas in the Gulf of Mexico. Red Snapper Regulations are in effect for all waters of the Gulf of Mexico. The recreational bag limit is 2 fish per person and the captain and crew of for-hire vessels (i.e., charter boats) are prohibited from harvesting red snapper. The open harvest season in both state and federal waters is currently June 1st through July 23rd.
