Marina Happenings

Kids Win - The 6th Annual Kid's Win Fishing Tournament is attracting kids from all over Florida, Georgia, and Alabama! Get your kids and grandkids registered NOW! We are increasing Friday's activities to make it more enjoyable for the kids involved. Starting at 3pm lasting till 8pm kids can pick up their free rods and reels, participate in children activities such as face painting, then munch on free hamburgers, corn dogs, and pizza cooked by Dockside Café. Kids can start fishing as early as 7am on Saturday morning. Captain Trey Landry will start weighing fish at 10am. Thanks to the generous Charter Captains we have plenty of room for kids who want to go out on a "big boat" to reel in their winning fish; request to be on a boat when you register. Luckily the Lion's Club is cooking hot dogs to refuel the kids during the weigh-in. Come to the Marina Friday April 11th and Saturday April 12th to enjoy the all the new Festivities!

HOURS OF OPERATION

Beginning April 1, Marina Hours will be:

- Dry Storage 8:00 am – 7:00 pm
- Ship Store 7:00 am – 7:00 pm Sunday – Thursday
7:00 am – 8:00 pm Friday – Saturday

If you want to be out on the water at first light, please call us the day before and we will launch and tie your boat in the small boat basin. Same goes for those who are out until dark; we will pick it up first thing the next morning.

GALATI BOAT OF THE MONTH "THE EDGE"

This 42 Egg Harbor Sportfish Convertible is a classic design, recognized for excellent styling and quality construction. This 2002 has been maintained in Excellent Condition stern to bow. This particular boat was designed for show as the model boat for its year class. The Volvo engines with Electronic Controls make this boat a very fuel efficient vessel, with good range and excellent ride. NAUTICAL "FLEA" MARKET

To take advantage of the crowds during Kids Win Fishing Tournament, the PSJ Yacht Club's first Nautical Flea Market will take place on Saturday, April 12. In addition to Yacht Club members, the Nautical Market will feature commercial vendors and other folks offering marine-related items. Do you have a garage full of old or unused boating and fishing gear? Why not get a space at the Market and turn it into cash? Yacht Club members may have a sales table without incurring any fees. Last year, 400 families registered their kids and grandkids in the Kids Win event. The anticipated amount for this year is at 500! Don't miss this chance to offer your nautical items to members of the community and tourists alike.
