

PORT ST. JOE MARINA

Marina Happenings

LABOR DAY WEEKEND

What a fun Labor Day weekend! Dockside was rocking and rolling with music, oyster eating competitions, hula-hoop competitions, and a volleyball tournament. The Yacht Club's annual Poker Run was a huge success! There were 16 boats involved and 61 hands in the Poker Run. We couldn't have asked for better weather; the sun was shining all day without a drop of rain. If you missed the customer appreciation dinner they served ribs, baked beans, and coleslaw cooked by Benny Roberts. It was a wonderful weekend and we are extremely thankful to have Ray Whitney and the Yacht Club for putting on such fun events.

BETTY ESTES

We have lost a very special and dear friend, Betty Estes. She was a wonderful upbeat, spunky lady who never had a bad thing to say. She always helped with every event at the Marina and was extremely active with the Kid's Win Fishing Tournament. She will be forever missed and remembered. There will be a memorial held in Port St. Joe with Pastor Michael Roger's officiating. This will be a celebration of her life and the wonderful memories we all share. The date has not been set but we will keep you all posted. Donations can be made to the First United Methodist Scholarship Fund, PO Box 72, Eufaula, Al. 36072-0072.

IN THE SPOTLIGHT

We are so excited to welcome our new employee Lisa Kelley. She moved to Port St. Joe a couple months ago from Dothan, Al where she was born and raised. She is a former Elementary School Teacher with a degree from FSU. Lisa is a very positive addition to our marina. She is always on the move looking for ways to stay busy and improve her surroundings. Her wonderful attitude and customer service has made her fit right in from the first day she started. Next time you come down pop your head in the ship store and say hello.
