MAJOR PRICE REDUCTION! 2007 34' Mainship Pilot

This economical/fuel efficient vessel gives the best of all worlds with the 370 Yanmar engine. It will cruise at 17 knots @ 13gph or a low cruise of 7 knots @ 3gph with a 500 mile range. Take long cruises to tropical locations without leaving the comforts of your condo. The shallow draft of 39" makes the inland waterways and overnight anchorage a dream come true. Currently, this vessel can be seen at the Port St. Joe Marina. Call Chris McFarland for more information (850) 229-5900 or view all our listings online at www.gulfcoasthatteras.com

**UNITED
 WE
 FISH
 AND VOTE!**

Over 2,000 fishermen from up and down the East Coast and Gulf Coast joined together for a "United We Fish" rally in Washington D.C. on February 24th. Area fishermen joined in the protest as their season have been cut in half and bag limits have been reduced significantly. There will be an upcoming vote which could decide the fate of many anglers, charter and party boat captains and commercial fisherman. We will keep you up to speed as we hear.
