*Hurricane Season starts June 1st.
Make sure you are well equipped
with dock lines.*

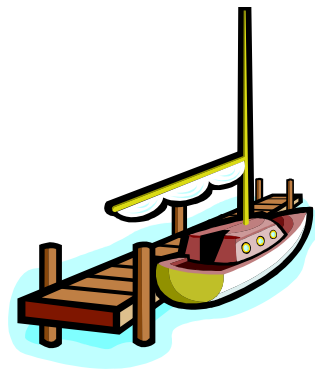

Tis' the Season

Our busy season is starting to kick in.

Please do your part to keep everyone safe and organized.

Please keep your dock area clean and picked up.

Store your items in your dock boxes or on your boat or it will get thrown away.

VHF Radio

The marina monitors CH. 16 daily.

Let us know when you are departing and when you are returning so we can have our dockhands assist you.

Our Pump-Out Service is FREE!

Florida Dept. of Environmental Protection states that it is **ILLEGAL** to discharge raw or untreated sewage into the waters of Gulf County. Such acts are punishable by fines up to \$15,000 per day.

Inform us when you will be on your boat this Spring and Summer so we can deliver you a daily newspaper.
